

Current & Future Issues Involving Personal Health Information

Irene Hamilton, Manitoba
Ombudsman

Frank Work, Q.C. Alberta Information
& Privacy Commissioner

Gary Dickson, Q.C. SK Information &
Privacy Commissioner

- What is the biggest challenge your office faces in HIA/PHIA/HIPA oversight?

- How useful are Privacy Impact Assessments in terms of statutory compliance?

- What are the most common kinds of privacy breaches in your province?

- Can you identify some best practices in terms of organizing a trustee/custodian to meet statutory responsibilities?

- How can trustees/custodians reduce high-profile embarrassing data leaks and breaches?

- How has your office approached new uses and disclosures of personal health information for secondary purposes?

- What are your views with new legislation in Canada to deal with Mandatory HIV testing, mandatory gunshot wound reporting, youth detoxification & stabilization, etc.?

- Early impressions of EHR developments in your province?
