

Call for Submission

3rd Annual Prairie Health Information Privacy Day

Hyatt Regency Hotel in Calgary
November 30 – December 1, 2009

Deadline for Submission: 5:00 p.m., June 29, 2009

EVENT DESCRIPTION

This annual conference has been a great success every year with growing number of attendees per year. Through industry experts' presentations and discussions of real life scenarios, a clearer vision of issues, methodologies, solutions and opportunities will be revealed.

CALL FOR PRESENTATIONS

In preparation for this year's conference, the Planning Committee has started to develop the program for this event. In a constant effort to ensure the program is current and relevant, the Planning Committee would like to invite individuals to submit proposals for presentations to be heard at the conference.

Individuals whose submissions are selected for the conference program will be notified by July 7, 2009. Those selected will be required to provide session-specific information prior to the conference, including (1) a brief professional biography and (2) complete presentation materials for inclusion in the conference proceedings.

TOPICS TO BE ADDRESSED

The following is a list of potential topics compiled from last year's conference topics and suggestions from past delegates that may be covered in this year's conference. If you are interested in a topic that is not listed, we encourage you to still make your submission:

- Privacy Impact Assessment (PIA) Primer
- Advanced PIA's
- EHRs: current debates and future considerations
- Health Information Protection Legislation
- Current issues with managing access requests
- Managing privacy breaches
- Access or disclosure
- Health information - safe, secure and socially responsible
- Successful implementation of safeguards to protect health information and mobile devices
- Audit & evaluation
- Information management agreements with third party
- Educating your own organization
- Weighing social responsibilities vs an individual's right to privacy

The list above is a preliminary list and is not intended to be exhaustive. If you do not see a topic that you think should be included in the program, please let us know and the Planning Committee will consider it.

For last year's agenda please refer to: <http://www.verney.ca/phipd2008/agenda.php>

SUBMISSION FORMAT:

Please submit a one to two paragraphs abstract for a 1-hour presentation including a title and three key ideas to give as key bullet points.

Based on feedback from past conferences, please follow the following guidelines:

- Be specific about what you will present and how the audience will benefit
- Talk about real-world experience and achievements rather than theory
- If you are a vendor to this community do not 'pitch' specific products

Be sure to include:

- Proposed Speaker Name:
- Job Title:
- Address:
- Phone:
- Email:
- Presentation title and brief description
- Audience skill: (Basic, Intermediate, Advanced)
- Speaker bio

SUBMISSIONS LONGER THAN TWO PAGES WILL NOT BE CONSIDERED.
